# Financial Planning Life Cycle

You can do anything, but not everything and not at the same time. What are your Financial Planning Priorities at this stage of life?

19 Cards · 6 Minutes

What are your financial planning priorities? Take a moment and consider these planning topics and sort them based on their priority and timeline in your life.

What are your higher, near-term priorities? What is more important Soon, Later, or Not Me? Simply drag and drop each card to the proper location as you see fit. This will help us focus on your more pressing priorities.
